## Congratulations to our Member of the Year Dr. Michael Sargent

He developed his work ethic at a young age. He worked several jobs while in high school: Caddie at Vesper Country Club, McDonalds, Purity Supermarket and most importantly Harrington Wine & Liquors. Vesper and Purity recognized his dedication and perseverance by awarding him scholarships for his undergraduate education at St. Anselm College.

His formal training for his dental career began as an undergraduate at St. Anselm College. Upon graduation from St. Anselm, was accepted into Georgetown University's School of Dentistry. He was elected president of Georgetown's chapter of the national dental fraternity, Psi Omega, twice. He received the Psi Omega Fraternal Achievement and Scholastic Achievement Awards after his Senior year.

He also worked at two dental practices in the DC area while at Georgetown, in order to get hands on experience. He applied for, and was accepted to participate in a Georgetown sponsored summer break dental/medical program in Latin America. He was assigned to the Dominican Republic group. He

gained valuable dental experience as well as observing the poverty and human suffering in the area.

His perseverance, dedication and work ethic was all put to the test in 1983. He decided to open his own practice in his hometown. The risk has been an outstanding success. His practice has been recognized as: "Best of the Best" in Chelmsford/Billerica Area 11 years in a row, and the Chelmsford Independent newspaper's "Wicked Local" Best of Chelmsford Dentists and Regional Best Dental Office 2011, 2012 and 2013.

In 1992 he decided to combine his interest in restoring Chelmsford historic real estate and a need for more space for his growing practice. He purchased and restored the Henry Erikson property on Chelmsford St. The restoration was a wonderful success resulting in a building for a state of the art dental practice. Not only was the building a practical success but the town also recognized it with the Town of Chelmsford Guardian Award for preserving a piece of Chelmsford history. He is an annual contributor to many

local charities: Town of Chelmsford Scholarship (John W. Sargent Memorial Scholarship); House of Hope, Greater Lowell Food Bank, Table of Plenty, Greater Lowell Boys Club, Camp Paul, the Sponsor of the horse drawn wagon at our annual tree lighting, the turf fields, he also sponsors the CHS student table at the annual Hall of Fame Induction Dinner. He has a 25 year history of being Santa Claus for the town's tree lighting ceremony. He also provided this for the Big Brothers/Big Sisters organization for 24 years.

He is a strong supporter of his hometown. Over the past 30 years he has restored numerous real estate properties in Chelmsford and his own home in Westford. All properties were restored in historically correct fashion to preserve the historical aspects of the original property.

He has been married for 32 years to his beautiful wife, Joanne. It is with great pride that we introduce this year's Member of the Year award, Dr. Michael Sargent.

The Town's residential energy efficiency program "Chelmsford Saves"

**[www.townofchelmsford.us/index.aspx?nid=530](http://www.townofchelmsford.us/index.aspx?nid=530)**

is expanding to include Small Businesses!

This program funded by a grant from National Grid was originally designed to encourage residents to take advantage of no-cost home energy assessments and other money-saving measures available through Mass Save. National Grid is now offering the same types of benefits to business owners that use less than 300 kW/month, on average. The free assessment and discounts are described further on this webpage:

## President's Message

Happy New Year! I'm hoping your holidays were full of joy and happiness. It was a busy month for us at Charles Frederick, thank you to everyone who shopped locally in town this season. I know that I found some great deals, shorter lines and more personal service from my friends in the business community. Whether I was buying supplies for the store or picking out gifts for the family I had a great sense of pride in "keeping it local". I hope you were also motivated to support your town and those that make a living by offering their goods and services here in Chelmsford. No new resolutions for me this year, just a continued effort to search out some new restaurants, shops and business connections in our community.

Our member of the year for 2013, Jim Shannon, was announced at the Holiday Social in December of last year – a great selection! Just as wonderful at this year's event was the announcement that Dr. Michael Sargent was our member of the year for 2014. These two gentlemen contribute so much to our community and it was great to see them recognized!

Once again this year the CBA sponsored two "Free Shred Days". The first was held in April and the second in September. Start collecting your materials for shredding as the next one has been scheduled for April 23, 2015. They are held at the Best Western Plus Chelmsford Inn on Chelmsford Street from 1PM until 4PM. Just a nice little perk for our members!

We continue to join the Greater Lowell Chamber of Commerce for "Mega Mixers" that are held at various businesses in Chelmsford. We have great food, beverages and raffles. The raffle proceeds benefit the CBA Scholarship Fund for Chelmsford students. If you would like to donate an item for

our next "Mega Mixer" please contact the CBA office. Our next event is scheduled for January 28<sup>th</sup> from 5PM to 7PM at The Radisson Hotel in Chelmsford.

In March we again hosted our annual "Candidates' Night" at the Chelmsford Center for the Arts. This is a beautiful location and works well for our event. We are already planning our next Candidates' Night for 2015. If you cannot join us, the event is broadcast and taped by Chelmsford Telemedia and can be viewed prior to Town Elections.

CBA also had a presence again this year in the Town of Chelmsford's 47<sup>th</sup> Annual 4<sup>th</sup> of July Parade. We were a parade sponsor and had a great band on a float, The Hot Tamale Brass Band, which plays at all home games at Fenway Park – they were a hit with everyone and had two special guests with them – Pat Patriot and Wally the Green Monster! A wonderful day in Chelmsford!

After missing a year, we were back to our Annual Golf Social in September which was held at Chelmsford Country Club. Everyone was thrilled to see the new Club House and all who attended had a great time! We look forward to "hitting the greens" again in 2015.

If you have not done so already, please check out the new program, "Shop Chelmsford" sponsored by the Town of Chelmsford and the CBA. This program is designed to connect your business with the 34,000 town residents and thousands of day-time employees working within office, industrial and retail buildings. "Shop Chelmsford" is a web based platform: [www.chelmsfordnow.com/shopchelmsford](http://www.chelmsfordnow.com/shopchelmsford) which will enable a business to claim, create, and edit a business profile.

We look forward to seeing you at our events in the coming year! Please feel free to contact the CBA office with any questions you might have! I wish you a happy and healthy 2015!

Thank you,  
**Rick Romano** President, CBA

# Annual Holiday Social

## Many thanks for the evening...

The Annual Holiday Social took place at the Radisson Hotel and Suites in Chelmsford on Thursday, December 4, 2014. Mr. Jim Shannon was the Master of Ceremonies for the raffle and was full of holiday spirit, thanks Jim. Paul Aronian and Bill Martin filmed the 2014 Holiday Social once again, it was shown on the local cable channel in December. We want to thank our members who once again stepped up and donated some wonderful gifts for the annual drawing. Jon Mansfield entertained the group with dinner music and dancing after dinner.

Overall the entire evening was a great success. We look forward to seeing all of you again in 2015 for the Chelmsford Business Association's 25th Anniversary.

## RETIREMENT DELAYED

In the last three years, 43% of U.S. workers have shifted their anticipated retirement ages to later, according to a Towers Watson survey. Just 12% expect an earlier retirement than they did three years ago. 45% anticipate no change in their retirement age. The survey received responses from 5,070 workers.

### *A Gift of Chelmsford program update.*

This is a great year round, buy local initiative put together by the Chelmsford High School DECA program. It is managed by the towns Community Development Department and offers gift checks valid at participating Chelmsford businesses. We currently have more than three dozen participating businesses and over \$1,500 of gift checks issued in the last part of the year. The gift checks come in \$10, \$20, & \$50 increments. There is **no cost** to the merchant, and despite the hard work of the kids in the DECA program at Chelmsford High School who helped put this together, this is not a fundraiser for the schools or town. If you are interested in participating and haven't signed up yet, you can email your name and contact info along with the business name and address to Evan Belansky at [EBelansky@TownofChelmsford.us](mailto:EBelansky@TownofChelmsford.us). It's that easy. The window seals will let customers know you accept the gift checks. Please check out [www.giftofchelmsford.org](http://www.giftofchelmsford.org) for more details and a list of participating merchants.

## MORE LIQUOR LICENSES POUR INTO BOSTON

THERE WILL SOON BE more places than ever to whet your whistle in Boston. Certain areas of the city will receive 75 liquor licenses over the next three years after a Massachusetts Senate and House joint committee approved an economic development bill. The aim is to rejuvenate outlying neighborhoods by boosting their food (and drinks) industries. The bill also gives the mayor the power to appoint a three-person licensing board to determine in what areas the new licenses should be given. There will be 25 new liquor licenses each year over the next three years: 20 will allow restaurants to sell all alcohol beverages, and five will allow sales of beer and wine. Areas receiving the licenses include Dorchester, Hyde Park, Jamaica Plain, Mattapan, Mission Hill, and Roxbury, plus locations the Boston Redevelopment Authority deems "Main Street Districts". The liquor licenses will be "neighborhood restricted".
